Re: Clean Harbors Canada, Inc. Acquisition of EnviroSORT, Inc.

Attention: Accounts Payable

I am pleased to announce the Clean Harbors Canada acquisition of EnviroSORT, Inc., effective February 27, 2009. The company will continue to operate as EnviroSORT, and is now a wholly owned subsidiary of Clean Harbors Canada, Inc. This is an exciting event for both companies and the employees of our two organizations.

In order to assist you through this transition process, we are enclosing our critical EnviroSORT Invoice Payment Fact Sheet. Please use the information to update your payment **Remit To Address**, banking **EFT (ACH/Wire)** detail and **Lockbox** information currently on file for EnviroSORT. For all work performed after February 27, 2009 by EnviroSORT, you will receive an EnviroSORT invoice and will need to follow the payment remittance instructions on the Fact Sheet. Checks that have previously been hand-delivered or posted to the Grande Prairie or Red Deer locations should follow the lockbox remit instructions on the fact sheet.

Note: Invoices dated prior to February 27, 2009 for services provided by EnviroSORT, Inc. may be paid to the existing/current EnviroSORT remit to address **or** to the new remit to address found on the attached EnviroSORT Invoice Payment Fact Sheet.

Our objective is to provide you with comprehensive environmental services that allow you to best manage your environmental program. Your business is important to us, and we look forward to a great future together.

Sincerely,

A handwritten signature in black ink that reads "Janet Frick".
