

Press Release

Clean Harbors Prices Follow-On Offering of Common Stock

Norwell, MA – April 23, 2008 – Clean Harbors, Inc. (NASDAQ: CLHB), the leading provider of environmental and hazardous waste management services throughout North America, today announced the pricing of its previously announced follow-on public offering of 2,500,000 shares of its common stock at a price of \$63.75 per share. All shares are being offered by the Company. The Company expects to deliver the shares on April 29, 2008. Clean Harbors has also granted its underwriters a 30-day option to purchase up to 375,000 additional shares.

Clean Harbors expects to receive net proceeds, after underwriting discounts and expenses and assuming the underwriters' over-allotment option is not exercised, of approximately \$150.8 million. The Company expects to use the net proceeds of the offering toward one or more of the following: potential future acquisitions, repayment of debt and working capital.

Goldman, Sachs & Co. is acting as the sole book-running manager of the offering. Credit Suisse Securities (USA) LLC and Merrill Lynch & Co. are acting as senior co-managers, and RBC Capital Markets Corporation, Needham & Company, LLC and Wedbush Morgan Securities, Inc. are acting as co-managers.

The shares are being offered only pursuant to the prospectus supplement to the base prospectus included in a registration statement, which was filed with the Securities and Exchange Commission and became effective on April 17, 2008. Copies of the prospectus supplement (and base prospectus) may be obtained by visiting the SEC's website at www.sec.gov or by contacting Goldman, Sachs & Co., Attn: Prospectus Dept., 85 Broad Street, New York, NY 10004, Fax: 212-902-9316 or email at prospectus-ny@ny.email.gs.com.

This release shall not constitute an offer to sell or the solicitation of an offer to buy any of these securities, nor shall there be any sale of these securities in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state.

certain risks and uncertainties that could cause actual results to differ materially from those reflected in these forward-looking statements. Readers are cautioned not to place undue reliance on these forward-looking statements, which reflect management's opinions only as of the date hereof. The Company undertakes no obligation to revise or publicly release the results of any revision to these forward-looking statements other than through its various filings with the Securities and Exchange Commission. Furthermore, all financial information in this press release is based on preliminary data and is subject to the final closing of the Company's books and records.

A variety of factors beyond the control of the Company may affect the Company's performance, including, but not limited to:

- The Company's ability to manage the significant environmental liabilities that it assumed in connection with the CSD and other acquisitions;
- The availability and costs of liability insurance and financial assurance required by governmental entities relating to our facilities;
- The effects of general economic conditions in the United States, Canada and other territories and countries where the Company does business;
- The effect of economic forces and competition in specific marketplaces where the Company competes;
- The possible impact of new regulations or laws pertaining to all activities of the Company's operations;
- The outcome of litigation or threatened litigation or regulatory actions;
- The effect of commodity pricing on overall revenues and profitability;
- Possible fluctuations in quarterly or annual results or adverse impacts on the Company's results caused by the adoption of new accounting standards or interpretations or regulatory rules and regulations;
- The effect of weather conditions or other aspects of the forces of nature on field or facility operations;
- The effects of industry trends in the environmental services and waste handling marketplace; and
- The effects of conditions in the financial services industry on the availability of capital and financing.

Any of the above factors and numerous others not listed nor foreseen may adversely impact the Company's financial performance. Additional information on the potential factors that could affect the Company's actual results of operations is included in its filings with the Securities and Exchange Commission, which may be viewed at www.cleanharbors.com/investor_relations.
