# How to Access Waste Profiles:

View Profile Workbench

itatus Approved, Expired, Incomplete, P.... 🗸 Go

- Log in to the Online Services application. <u>Click</u> <u>here</u> to see sign-in instructions.
- Validate the desired generator location under the Clean Harbors logo at the top right corner. To change location, click the existing location name, which will display a list of all available locations.
- From the Waste Profile tile, click and select **Profile Workbench**.

Quick Reference Guide

#### How to Create Custom Profiles:

- 1. Click Create Profile on the View Profile Workbench page.
- 2. Click Drums/Totes or Bulk in Shipping Container Type.

Select Shipping C	Container Type		
	Drums/Totes Select this option if your waste will be shipped in drums, cubic yard boxes, on pallets or in other DOT rated non-bulk containers.	Bulk Select this option if your waste will be shipped in bulk using a roli-off box, end-dump truck, tanker, vacuum truck or other DOT bulk solid or liquid containers.	

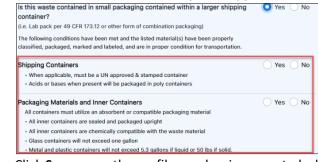

#### View Profile template rums/Totes - Profile Templates 0 0,0 ..... Å L. 8 Å€ \*\*\* ÊÔ ŝ $\mathbf{Q}$ 回 ELECTRONIC DEVICES WITHOU PCB AR BAG MODULE DRINFLATOR

	Special Response			
	2	*		

- Select Auto and Click Auto-generate to generate the profile number.
   Note: You can also enter the profile number manually by selecting the Manual option.
- 5. Enter the waste-generating process.
- 6. Enter any special requests the user requires in the Special Requests field.
- 7. Enter the description of the waste in the Waste Description field.
- 8. Select Yes or No as per the package details mentioned.

If Yes is selected, additional options appear on the screen below. Select Yes or No.

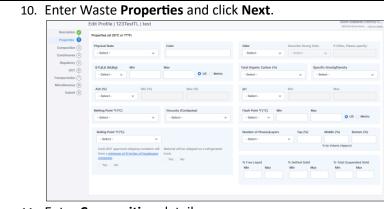

9. Click Save; once the profile number is generated, click Save again and click Next.

For support using the Online Services, call 877.333.4244 or email wastepickup@cleanharbors.com. Coverage is provided from 8:00 am to 8:00 pm EST.
