

CLEAN HARBORS LODGING SERVICES

Coleville Lodge

Clean Harbors Lodging Services design and operate lodges that set industry comfort, quality, and service baselines. Our units are designed by people who have lived in the field and understand the unique living, social, and related needs of construction and oilfield workers.

Lodge Amenities

With 132 rooms, our alcohol and drug-free lodge is maintained to the highest possible standards of cleanliness and service. Our dining area is designed with a large open concept. Circular tables, premium chairs, and separate sitting areas are standard. The common areas feature sofas, large televisions, games tables, and informal meeting space. All guest rooms are air conditioned and have satellite television services, a desk, and Internet connection. Standard amenities include -

- Superior catering and housekeeping services
- Fully equipped common areas, fitness rooms, and computer room
- Wireless internet
- Powered parking stalls
- Laundry facilities and cleaning supplies
- Daily towel service and individual lavatory sink
- Shared toilet & shower with adjacent room

Advantage of Staying at a Clean Harbors Lodge

At Clean Harbors Lodging, it's our job every day to serve all aspects of your stay while you are away from home. As your host, we take pride in our guest service culture. Our goal is to drive excellence and captivate our guests by providing superior service, genuine hospitality, and an outstanding guest experience. There's certainly an advantage to coming into a comfortable housing environment that makes you feel you are back at home, compared to large institutional camps. At Clean Harbors' lodges and camps, you will get to know our hospitality team who are selected for their warm and accommodating spirit and are committed to putting you first.
